

DHS Bring Your Child to Work Day is Wednesday, Aug. 1

The DHS Bring Your Child to Work Day is Wednesday, Aug. 1. DHS local offices that have not hosted an event this year are welcome to do so on this date. The Office of Communications has developed materials and a list of suggested activities for your use at the local office to customize your events. Click on the links below to access the materials.

We are excited to be able to provide girls and boys with an opportunity to share a unique experience with their parent, foster parent, grandparent or mentor. Please feel free to use all of the materials provided. Call the Office of Communications at 517-373-7394 with questions.

Bring Your Child to Work Day at the Grand Tower in Lansing kicks off at 8 a.m. on Aug. 1 with the registration of our guests. Parents, foster parents and grandparents have until July 26 to schedule a school-age child's attendance at this event. A registration and Consent for Publication (Form 0199) must be signed by the child's parent or legal guardian. We look forward to seeing your child on Aug. 1.
